## RELEVANT EXPERIENCE

---

### Whitman College Student Engagement Center, Walla Walla, WA

August 2018-December 2018

#### *Data Analytics Intern*

- Created a set of strategic resources, timelines and dashboards for collecting and sharing metrics about various programs being offered through the SEC to be used in decisions about future programming
- Collaborated with the SEC Marketing Fellow and office leaders to establish a protocol for sharing metrics with key stakeholders that ensures clear and useful presentation of information
- Developed educational content to inform SEC staff of data-gathering resources and reporting methods

### Russell Investments, Seattle, WA

May 2018-August 2018

#### *Trading Intern*

- Ran and developed execution analysis on all trading activity for the equities and fixed income executions
- Managed huge quantities of data and successfully reduced it into a meaningful format to be used in decision-making and presentations to clients
- Worked directly with traders to analyze data for accuracy and investigate any questionable values
- Utilized various online systems, Bloomberg and data vendor websites to access and manage data

### Whitman College, Walla Walla, WA

October 2017-May 2018

#### *Admissions Assistant*

- Utilized public speaking skills during twice-weekly campus tours to prospective students and their families
- Contributed content and offered feedback for marketing publications designed to showcase the college's unique qualities and draw a diverse and high quality candidate pool
- Gave formal presentations to admitted students in various locations around the Pacific Northwest
