

An aerial view of Whitman College campus during autumn. The central focus is a large, light-colored building with a prominent clock tower featuring a red-tiled roof and a white clock face. The building is surrounded by lush green trees with some yellow and orange autumn foliage. In the background, a green lawn and a blue tennis court are visible. The sky is a clear, bright blue with some light clouds. The top right corner of the image has a yellow L-shaped graphic element and white diagonal lines.
