

Proposed Campus Idling Policy:

1. No person shall allow a vehicle owned or operated on behalf of Whitman College to idle for more than five (5) minutes in any one-hour period unless operation is necessary for safety, or the vehicle is attended and being utilized for the completion of a task. In the operation of campus vehicles faculty, staff, and students shall comply with federal, state, county, or municipal regulations related to idling.
2. For the health and safety of our campus community vehicles should not be left unattended or idling at a loading dock, delivery stop, or at other locations where exhaust emissions may enter a building such as near building air intakes, entrances, or open windows, etc.
