

## **WINDOW CLEANING**

[WAC 296-878](#)

Whitman College employees do not work in conditions subject to WAC 296-878. Contractors hired by the College to conduct such work must comply with the rules set forth in that chapter.

Employees may not conduct any window-cleaning activities performed on the inside or outside of a building in which they are working from a level that is located more than forty-eight inches above grade/floor, or which requires use of a lift.
