

**Safety Committee Meeting
Whitman College
July 10, 2018**

Present: John Hopkins, Fred Miller, Matt Stroe, Kathleen Hutchison, Bryan Lubbers,
Kendra Golden, Lisa Holmes

Absent: Kathy Rogers, Paul Dodez, John Eckel, Bridget Cummins

Whitman College's Safety and Environmental Programs webpage is available with ongoing review and updates.

- The committee members reviewed [Appendix-I of the Accident Prevention Program](#), and Fred addressed questions from committee members. Fred will follow up with the Webteam about corrections, as well as links that are not working.
- All employees should read and become familiar with the information on the Environmental Health and Safety webpage. Please e-mail Fred with any questions or concerns, and for scheduling individual or department training sessions for employees.
- Discussed need for hazardous area signage on campus. John Hopkins will draft a letter to Administration for funding.
