

Message from President Murray

Dear Faculty, Staff, and Students,

Whitman College is a close-knit community in which each individual is valued and respected. As a demonstration to our commitment to create a safe learning and working environment for all members of our community we ask all employees of the college to participate in this online program designed to help each of us learn more about how to prevent harassment and discrimination.

Please be familiar with the Whitman College Statement of Nondiscrimination: “Whitman College has a strong commitment to the principle of nondiscrimination. In its admission and employment practices, administration of education policies, scholarship and loan programs, and athletic and other school-administered programs, Whitman College does not discriminate on the basis of race, color, sex, gender, religion, age, marital status, national origin, disability, veteran’s status, sexual orientation, gender identity, or any other basis prohibited by applicable federal, state, or local laws.”

And the Statement of Diversity adopted by the Board of Trustees: “Diversity is fundamentally important to the character and mission of Whitman College. Diversity enriches our community and enhances intellectual and personal growth. We seek to provide a challenging liberal arts experience for our students that prepares them for citizen ship in the global community. By sustaining a diverse community, we strive to ensure that all individuals are valued and respected and that intellectual and personal growth are enriched because of our differences.”

Thank you for taking the time to complete this program and helping to build awareness and knowledge of the issues of discrimination and workplace harassment.

Kathleen M. Murray, President
