Catalog Year determines the requirements a student must fulfill. For an undeclared student, this will show the year they first attended Whitman, which determines their distribution requirements. For a declared student, this will show their sophomore year, which determines their major requirements.

Anticipated Completion Date (ACD) shows the month and year we expect the student to graduate. Options are May, September, or December of a given year.

Whitman College requirements (credit and GPA)

Current completed credits and GPA—this is the student's cumulative GPA.

Remaining requirements (not including current courses or preregistered credits). The Institutional Credits line is 0.00 because this student has already completed more than 54 credits at Whitman.

Program Summary: (In progress)

	Required	Current Earned	Current Remaining	Anticipated Additional	Anticipated Remaining
Institutional Credits:	54.00	65.00	0.00	28.00	0.00
Institutional GPA:	2.000	3.882	Met		
Combined Credits:	124.00	89.00	35.00	28.00	7.00
Combined GPA:	2.000	3.882	Met		

(*) Anticipates completion of in-progress and registered courses

Institutional = requirements to be completed at Whitman

Combined = total requirements (Whitman + any transfer credit)

Any remaining credits required after completion of "anticipated" credits.

Current Enrollment + Any Preregistered Credits—so, between preregistration (in November or April) and the end of the semester (in December or May), it shows two semester's worth of credits.

The **Senior Assessment** shows up as a course and is filled in after the Registrar's Office receives confirmation from the major department that the student has passed. Students don't register for this like a true class.

These are "transfer equivalency codes"—they indicate different forms of transfer credit. Please see the "How to Read a Transfer Equivalency Report" page on our website for details on how to interpret these.

(Credits in parentheses are anticipated earned)

*NE means a Non-course Equivalency—this indicates AP or IB credit, or, if it's a zero-credit course equivalency, like this one, a placement test (see key at bottom).

Since this *NE example has a credit value listed, it's either AP or IB credit. Usually, AP appears with the term date of 06/30, whereas IB has a date of 07/01.

*TE indicates transfer coursework (see key at bottom).

Completed Activity Credit Totals and Applied Music Credits show the number of credits completed in each area and the maximum allowed—these do not show credits in progress. Credits beyond the limits will not count toward degree requirements.

COMPLETED ACTIVITY CREDIT TOTALS:

Dance (max 12): 0.00
 Music (max 12): 1.00
 Rhetoric (max 12): 0.00
 SSRA (max 8): 1.00
 Theatre (max 12): 0.00
 TOTAL (max 16): 2.00

COMPLETED APPLIED MUSIC CREDITS (max 16): 0.00

PLACEMENT TESTS:
 Tests required as prerequisites for Whitman classes appear as the Whitman course equivalents and are shown as *NE with zero credit.

This area gives a **key for symbols** that may appear next to courses—other common notations include:
 *RP for a course being repeated
 *RA for a replacement attempt (repeating a course with a previous grade of F)
 *F for "forced"—the course was manually inserted into a requirement by a staff member in the Registrar's Office

Notes:

*IP	In Progress
*NE	Non-course Equivalency
*PR	Preregistered - The course has not yet started
*TE	Transfer Equivalency
*S	Status - Items with this status may not be applied to the program
*U	Used! - has already been used elsewhere
